## **BYTE (Bringing Youth Towards Equality)**

Voice Your Choice: All-Candidates Forum for Youth.

This exciting event will take place Friday, April 15th at the F.H. Collins Secondary School gym 7 PM (doors open at 6:30).

We want to engage and involve Yukon youth (12-29 years old) in the Canadian political process by offering a space for youth to ask questions and to be heard on the issues that are important to them. We have the commitment of all four federal candidates: John Streicker from the Green Party, Larry Bagnell from the Liberal Party, Kevin Barr from the New Democratic Party and Ryan Leef from the Conservative Party. Please be advised that while this forum will focus on youth issues, all ages are welcome to attend. In fact anyone interested in youth issues (and this should be everyone!) is strongly encouraged to attend and participate.

As always with BYTE events, this forum will not only be informative, but it will also be fun and engaging. This is an invaluable opportunity for youth to express their views and have their voices heard and for the candidates to learn from youth what they find important.
